Trusted Adviser Program

Overview:

The Trusted Adviser program is for executives who are looking to lead as their best selves, boost performance and accountability, spend more time on growth and less time supervising routine tasks, and make better decisions amidst turbulence and uncertainty.

You meet with me privately by zoom or phone for regularly scheduled sessions to set goals, remove roadblocks, overcome obstacles, and develop action steps that get results. Additional support is available via **unlimited calls, emails, or other means** in between your regularly scheduled sessions.

We will operate on a renewable monthly cycle after the first quarter. Once you sign up for the program we work together to build a game plan that includes your quarterly goals, action steps to meet them, and the right meeting frequency.

Program fees are non-refundable, no exceptions. There are no skip-weeks. The fees will never change as long as you are enrolled.
