Overview:

This Mastermind is for Consultants who want to take their meaningful, joyful, and profitable business to new heights.

We meet monthly zoom to discuss opportunities and challenges, share ideas, develop new thought leadership, and support each other. You get unlimited access to all of my mastery programs, like Expert Consulting Mastery, Innovative Thought Leadership, and Becoming a WHY? Leader (TM).

You have unlimited access to me by zoom, phone, email or text to set goals, remove roadblocks, overcome obstacles, and develop action steps that get results.

Once you sign up for the program we work together to build a game plan that includes your quarterly goals and action steps to meet them. Program fees are non-refundable, no exceptions. There are no skip-months. The fees will never change as long as you are enrolled.
